ARSADI – Bella Blue

This is a story
From endless joy, to fashion blues
In our young days glory
Appearance didn't matter to me nor you

But shallowness got in your way
And magazines cut your hands
Dangerous when you don't know what to do or say
You get lost in others' demands

Oh oh oh oh, Bella Blue
Oh oh yeah, why you too?

Be careful what you wish for
'Cause you might get it all
Oh yeah so what your reach for
Can sometimes make you fall

Seems like we look in different mirrors
'Cause I can't see what you mean
Maybe it's the mirror, not you, who needs to be fixed
'Cause small things seem to look so big

Oh oh oh oh, Bella Blue
Oh oh yeah, why you too?

When you knew what you wanted
Is that what you needed?
If you get what your wanted
How do you know how you'd be feeling?

Oh oh oh
Yeah yeah yeah

Oh oh oh oh, Bella Blue
Oh oh yeah, why you too?

Oh oh oh oh, Bella Blue
Oh oh yeah, why you too?
Why you too?
Why you too?
